

Press Release  
03 February 2021, New Delhi

## **BLECH *India* rescheduled to August 2021**

With India flattening the curve and COVID-19 vaccination drive across the country underway, we are hopeful that we will get back to 'normal' soon. In the meantime, however, Reed Exhibitions India has decided it is prudent to postpone its upcoming edition of BLECH *India*, scheduled for 22-24 April 2021 at Bombay Exhibition Center, Mumbai. The next edition of BLECH *India* is now scheduled to take place from 17-19 August 2021, Hall 4, Bombay Exhibition Centre, Mumbai, Goregaon (E).

The decision has been made in order to ensure that both visitors and exhibitors (including the 56% of international exhibitors we welcome) are able to secure an optimum level of return on investment from a quality event, delivering business opportunities as well as driving economic growth.

**Anuj Mathur, Chief Operating Officer of Reed Exhibitions India**, said: "We have taken the decision to postpone the event so that the next time we meet we will be able to offer a fantastic face-to-face show with positivity and enthusiasm in abundance. The health and safety of our colleagues, partners and audiences remains our number one priority. [Our Global COVID-19 'Safety Shows' Health and Safety strategy](#) aims to reduce the assessed risks of COVID-19 by complementing and building on those community and other industry safeguards already deployed outside of the trade exhibition and event setting. This strategy demonstrates to all our partners and visitors that we are able to run COVID-19 safe and compliant shows in the countries where we are permitted. We look forward to a great live event and welcoming you in August 2021."
